Every day, in little ways and in big ways, God asks, "Whom shall I send?" Whether it is someone to take on a new ministry, to give a friendly smile to a stranger or say a word of encouragement to a friend, God constantly provides opportunities to help someone in need. The next time you hear God calling, have the courage to walk through the door and say "Here I am, Lord."

BISHOP'S ANNUAL APPEAL - As of the last report we received, _____% of our parishioners have made a pledge to the Bishop's Annual Appeal. Our support of diocesan agencies and ministries is one way that we respond to God for all we have received.

World Day of Marriage is February 10. "Almighty and eternal God, You blessed the union of married couples so that they might reflect the union of Christ with his church: look with kindness on them. Renew their marriage covenant, increase your love in them, and strengthen their bond of peace so that, with their children, they may always rejoice in the gift of your blessing. We ask this through Christ our Lord. Amen".

SEW & SO will meet again on February 20 at 9am at Local Brew. In 2018, the group contributed to the hospital, Helping Hugs, International Seafarers, several nursing homes and those who need prayer shawls. They made 37 baby quilts, 30 crib sheets, 4 burp cloths, 2 pairs of booties, 46 baby hats, 129 girls' and women's dresses, 14 adult bibs, 15 walker bags, 73 Christmas mug mats, 5 prayer shawls, 4 scarves for nursing homes, and 1,174 personal care and medical ditty bags. Walker bags and prayer shawls are available to anyone that has a need. New sewers and knitters are welcome!

HAITI MEDICAL MISSION - Thank you to all who so generously donated luggage for the Haiti medical mission. The team now has enough large, lightweight suitcases to get them to Haiti with all of the medicine and supplies. Good job, parishioners!

Congratulations to Anastasia Barr, who won first place in the Savannah Deanery Spelling Bee.

TWIN PARISH NEWS - Father Faustin is asking for your help for the people of his parish. Please donate the following items to the sea container that is shipped to Haiti each spring. Bags may be left in the narthex of the church, please label them "HAITI" to avoid confusion with other charities. CLOTHING needs are for shoes (not just sandals) for men, women and children - all sizes. HOUSEHOLD items include twin flat sheets, light weight bath towels, and tablecloths 144 inches or longer. To help CHILDREN AND YOUTH engage in worthwhile activities, they are in need of small toys, soccer balls of all sizes, brass and woodwind musical instruments. Thank you for providing new or gently used items to meet the needs of our twin family at St. Joseph Parish.

STEWARDSHIP MOMENT

FIFTH SUNDAY IN ORDINARY TIME - FEBRUARY 9

Our readings today remind us of the great privilege we have in calling ourselves both children and disciples of the most high God.

The First Reading, from Isaiah, describes a vision of the prophet in which angels surround the Lord proclaiming, "Holy, holy, holy is the LORD of hosts! All the earth is filled with his glory!" Our God invites us to such deep intimacy and friendship with Him that sometimes we can forget just how majestic and unspeakably holy He truly is.

In the Gospel passage, from Luke, Jesus instructs Simon to lower his nets for a catch despite an unsuccessful night of fishing. Peter is skeptical but obeys and is amazed at the catch of fish that he makes. He kneels down before Jesus in astonishment.

This sense of awe and reverence before God should motivate us to deepen our stewardship way of life. As we contemplate the holiness of God, we come to a heightened awareness of what a privilege it is that He has chosen to include us in His work of spreading the Gospel to others through the grateful sharing of the gifts He has given us. Aware of this privilege, we will then make the words of Isaiah our own: "Here I am Lord, send me!"

TWIN SHEETS FOR HAITI: The CCW is collecting clean, gently used or new **twin bed flat sheets** for the spring shipment to Haiti. If you have full or queen size flat or fitted sheets, the Sew & So's will turn them into twin-sized sheets. They cannot use twin fitted sheets. We will be collecting through the month of March; please place them in the CCW bin in the back of the church.

Society of St. Vincent dePaul needs Volunteers - Will you help? The Society is seeking individuals who have a heart to serve. We have ongoing needs in all of the following areas: thrift store operations, (Tiffany, 262-6027); food pantry (Mark, 602-2524); financial assistance/counseling (Nancy, 513 722-6789 or Stephanie, 678 677-4803). If none of these fits your skills or preferences, other needs are always developing (Jim 638-7220). Volunteer hours (M - F) are flexible and can fit your schedule. **Snow birds are welcomed.** Volunteering at St. Vincent is a ministry, not a job. What is God saying to you?

TOMORROW CAN CHANGE - IF WE ACT TODAY
Just imagine, if every retired man in our community would give just one hour a week to mentor a boy who has no father or male role model in his life. If you really want to make a difference in a boy's life, be a friend, a guide, a male role model. **BE A MENTOR.** Call Bill Holmes with any questions, 634-2088.

Flowers are placed by the altar in memory of Ruth Holmes from her family.

Since 2002, the Catholic Church in the U.S.A. has followed a set of rules initiated by the bishops of the country and approved by the Vatican for dealing with sexual abuse of minors by priests or deacons: The Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons.

Every U.S. diocese/eparchy is required...

- To have a **written policy** for dealing with sexual abuse of minors by priests, deacons and other Church personnel
- To appoint a **victim assistance coordinator**, who is available for the immediate pastoral care of persons who report having been sexually abused as a minor by a priest or deacon
- To **report** allegations concerning child sexual abuse to **civil authorities** and to cooperate with the civil investigations
- To establish a **review board** of at least five persons, mostly members of the **laity**, who counsel the bishop on allegations and review local policies dealing with sexual abuse of minors
- To investigate **promptly** and **objectively** any allegation of sexual abuse of minors by a priest or deacon
- To **remove** offending priests or deacons **permanently** from Church ministry
- To **prohibit the transfer** of offending priests or deacons for ministerial assignment in another diocese or eparchy
- To receive necessary **background information** before permitting a priest or deacon to exercise ministry in a diocese or eparchy
- To **protect** the rights of accusers and of the accused

For more information and to read the full text of the norms, visit:

Diocese of Savannah Policy on Sexual Abuse of Minors

Preamble - As Christians, we know that God's image in each person, and God's call to holiness form the basis for human dignity. Our duty is to protect this human dignity, especially in the most vulnerable among us, our children. It is essential that they find a safe environment in our homes, in our schools, in our worship communities, and in the general community. Sexual abuse of a minor is a sin and a criminal act, which causes enormous pain, anger, and confusion. In order to protect the children and young people of the Diocese of Savannah from such abuse on the part of personnel acting in the name of the Diocese, this policy addresses the need for prevention, reporting and investigation of allegations of sexual abuse of minors. It endeavors to provide a means of outreach to those who have been abused and the communities who are harmed by the abuse.

Prevention - Savannah Diocesan efforts for prevention will focus on screening and education.

1. All Diocesan clergy, religious, seminarians, lay employees, and regular volunteers who have contact with minors must be screened according to diocesan guidelines.
2. All such personnel will participate in education through the diocesan sexual abuse awareness and prevention training program.
3. Education of minors and adults will be offered throughout the Diocese.

Reporting - Anyone sexually abused as a minor or who knows about a case of sexual abuse of a minor should immediately report it to the civil authorities. When such sexual abuse has been committed by a cleric, religious, seminarian, diocesan or parish employee or a diocesan or parish volunteer it also should be reported to the Bishop of Savannah through the Victims Assistance Hotline at **(888) 357-5330**. Reporting can be made at any hour of the day. In the State of Georgia, persons who, in good faith, report incidents of suspected or known child abuse are exempted from civil or criminal liability. (Ga. Code 19-7-5)

Investigation - The Diocese/parish will cooperate with investigations by appropriate civil authorities. In addition, all cases of sexual abuse of a minor committed by Diocesan/parish personnel will be investigated by the Diocese in order to provide the Bishop with the necessary information to determine the appropriate course of action. Every effort will be made to maintain confidentiality so as to protect the rights of all parties concerned.

Response - The Diocesan response to both victim and alleged offender will be to pursue justice with tenacity while also pursuing mercy with love and compassion.

- **Victims:** The healing of victims, their families, and their community from the effects of sexual abuse by church personnel begins when the allegations of such abuse are received. Victims of sexual abuse experience a profound sense of loss and betrayal by someone from whom they had the right to expect protection and guidance. This is even more true when the offender represents spiritual authority and one's connection with God. As a result, victims frequently have difficulty trusting others, fearful that they will be blamed for the abusive acts. When victims decide to disclose the abuse they can be assured of receiving a welcoming reception that is compassionate and non-judgmental. To accomplish this outreach, they will be contacted by the Victim Assistance Coordinator.
- **Alleged Offenders:** An accusation of sexual misconduct is personally devastating. Should an allegation of sexual abuse be made, compassion will be exercised toward the accused and every effort will be made to protect his/her civil and canonical rights; understanding there is a presumption of innocence under both civil and canon law.

Ministry/Service - When sexual abuse by a priest or a deacon is admitted or is established after an appropriate investigation in accord with canon law, the offender will be removed from ministry using appropriate processes. For non-clerical personnel, when sexual abuse is admitted or established after an appropriate investigation in accord with civil or canon law, the offender will be removed from any position within the Diocese.

Advisory Board - The Bishop is assisted throughout this process by the Advisory Board for the Protection of Children, which is composed predominantly of lay professionals not employed by the Diocese who have been appointed by the Bishop in a consultative and advisory capacity. This Board will regularly review diocesan policy and procedures, which deal with the sexual abuse of minors.

Definitions

Diocesan Personnel - In this policy, diocesan personnel are defined as all clergy, religious, seminarians, diocesan and parish lay employees, and certain diocesan and parish volunteers.

Minor - Any person who is under eighteen years of age.

Regular Volunteers who have contact with minors - For the purpose of this policy such persons are defined as screened volunteers such as: catechist, coach, altar server coordinator, youth choir director, youth leader, school of religion teacher, or overnight chaperones.

Sexual Abuse - Sexual abuse of a minor includes sexual molestation or sexual exploitation of a minor and other behavior by which an adult uses a minor as an object of sexual gratification. A canonical offense against the sixth commandment does not need to be a complete act of intercourse. To be objectively grave the act does not need to involve force, physical or a discernible harmful outcome. The norm to be considered in assessing an allegation of sexual abuse of a minor is whether conduct or interaction with a minor qualifies as an external, objectively grave violation of the sixth commandment. (Charter for the Protection of Children and Young People, USCCB.) This definition does not attempt to limit the definition of sexual abuse of a minor found in the Georgia Code and any more inclusive definitions of sexual abuse of a minor found in the Georgia Code are also to be included in this definition.

Prayer - *Heavenly Father, grant to us your children of all ages the joy of seeing you in each other. May the adults among us always mirror your protection for our children and young people. And may we all praise you with your Son our Lord, and the Holy Spirit, now and forever. Amen.* 5-23-03.
