Thank you, Parish Family!

When God created the world He declared that it was good and He gave it to all mankind for us to enjoy. However, over the years we have created a chasm between those who have great gifts and those who do not. In today's Gospel we see that with our own generosity we must bridge that gap between those who have much and those who have little or we may find ourselves on the wrong side of the chasm in the next life.

COME TO THE FAIR!
 Have you been thinking about doing something more for your Parish, but don't know exactly what you can do? Please join us on Sunday, September 29, after 8 and 10:30 Masses, for the **Ministry Fair** in the Parish Hall. Representatives from each Ministry will be present to answer questions and provide information about their Ministry. Why not stop by, have some coffee and doughnuts, fellowship with parish members, and talk to the representatives about their Ministry's mission. You may discover just the right place to use your gifts. Everyone has a talent to share. Hope to see you at the fair!

Each October the Church in the United States celebrates **Respect Life Month**, with October 6 being **Respect Life Sunday**. STEWARDSHIP MOMENT

26th Sunday in Ordinary Time - September 29, 2019

We all have been given great power by God in the form of Time, Talents, and Treasure. Today's readings remind us that this power is meant to be used for great good.

And, the failure to do so has eternal consequences. We see the urgency for us to put our powers to good use in today's Gospel passage from Luke. Our Lord tells the rather chilling parable of the rich man who ignored poor Lazarus during their lifetimes. At the moment of the rich man's death, he goes down to the netherworld while Lazarus is taken to the eternal joy and comfort in the bosom of Abraham. The rich man keenly regrets his indifference towards the needs of Lazarus, but it is too late for regret. His choices have played out, and now the rich man will face the consequences of his failure to use the gifts God gave him.

Pursuit of God's kingdom and care for the poor are not trifling matters. Our Lord makes this clear to us over and over in the Scriptures and the constant teachings of our 2,000 year-old Church. We are free to ignore these teachings and live instead for ourselves. But there will be tragic results for us in the end. And, because we are made for eternity, living selfishly on this earth doesn't really bring us true happiness anyway. So how can we use our great powers for great good? By embracing a stewardship way of life. By putting God first in all areas of our lives — in the way we spend our time, the ways we share our talents, the ways we give of our financial resources. Stewardship living calls us out of our comfort zone and into commitment to the Lord and the things that matter to Him.
