Over the forty years that the Israelites journeyed through the desert, God provided them with manna to eat. As soon as they were able to enjoy the fruits of the Promised Land the manna ceased. Likewise, God's blessings to us may change over the years but it is important to trust that God will always provide us with all that we need.

This week we take up **THE CATHOLIC RELIEF SERVICES COLLECTION** to reveal Christ's love to our brothers and sisters in need. This collection helps six Catholic agencies to provide relief and support for struggling communities and to work for peace and reconciliation among our marginalized brothers and sisters here and around the world. Please prayerfully consider how you can support the collection. Learn more about the collection at www.usccb.org/catholic-relief.

UKRAINE - We have had many parishioners ask about a collection for the Ukraine. The Diocese of Savannah has asked that we share the emergency campaign from Catholic Relief Services (CRS) found here to provide a way for parishioners to donate. We have also set up a fund specifically for Ukraine-CRS at our online website which can be found at <https://www.osvhub.com/stwill/funds>, if you would like to give online. If you prefer to write a check, please make the check out to St. William with UKRAINE, on the memo line. All donations will go directly to CRS weekly for assistance in Ukraine.

Annual Catholic Appeal

"We Are One, Holy, Catholic, Apostolic Church."

As of the last report we received, 15.12% of our parishioners have made a pledge to the Annual Catholic Appeal. Our support of diocesan agencies and ministries is one way that we respond to God for all we have received. Our parish target is \$62,254, we have reached \$59,858.30 (96.31% of our goal). To donate on-line to the ACA click here.

THE GROTTO IS OPEN!

STATIONS of the CROSS

This is the most popular of Catholic devotions. As we pass from Station to Station, we are moved to renounce sin and accept Jesus as our Savior. Stations are held **NOON** every Friday during Lent in the Church.

STEWARDSHIP MOMENT

FOURTH SUNDAY IN LENT - MARCH 27, 2022

has for each one of us.

For too many of us, Lent is a season of doom and gloom, a time to feel bad about all the ways we are not "measuring up" in our spiritual lives. But this view could not be further from the truth. Lent is a season of refreshment and love, of awakening and rebirth. The Gospel Reading, the parable of the Prodigal Son, is filled with this theme of awakening and the extravagant, life-changing love that the Father

We are all familiar with this amazing story — the bratty younger son who has the audacity to ask his dad for his inheritance early, only to squander it sinfully away. It makes us bristle instinctively at his nerve when we read it. But isn't that exactly what we do when we selfishly turn away from God (in big or small ways) in our own lives? We squander away the inheritance of grace He has given us. In desperation from the mess he had made of his life, the son finally "comes to his senses" — awakening to the truth that he is a beloved son of a loving and merciful father — and decides to return home. His contrition is faltering and imperfect and seems motivated in large part by his growling stomach. But it is enough for the loving father.

In fact, as soon as the father catches sight of his son he is "filled with compassion for him" and immediately sets about preparing a feast and fine clothes for this son. What an extravagance of love! What a beautiful picture Jesus gives us of our Father's love and mercy. Oh, how this should fill us with gratitude for such a Father!

And how it should inspire us — with just the tiniest bit of spiritual "spring cleaning" we can be sure we will be swept up in our Father's loving embrace and find ourselves feasting in His presence. That is what lent is all about.

Holy Week

Dear Friends,

I am in end-stage kidney failure and I am asking for your assistance. Over time, my kidney disease has gotten worse, causing my kidneys not to work well enough to clear toxins from my body. Time is of the essence!

I am currently on the National Kidney Foundation's transplant list. 100,000+ people are on the waiting list for a donor kidney. As you can imagine, finding a kidney for transplant is not easy. Some wait for years; many die while waiting. The estimated wait time for me is five years or more for a kidney from a deceased donor, which is why I am trying to obtain a living kidney donation. A living kidney donation would decrease my wait time to approximately less than a year. This would help me avoid dialysis and the morbidity often associated with dialysis. In addition, a living kidney typically lasts longer and would give me a better chance of survival. Understandably, some people are afraid about the surgery and what living with one kidney will mean for them. Here's some basic information about kidney donation:

- You only need one kidney to live a healthy, long life.
- Most donor surgery is done laparoscopically, meaning through tiny incisions.
- The recuperation period is usually fairly quick, generally two weeks.
- The cost of your evaluation and surgery will be covered by my insurance. We will make sure expenses related to the transplant are covered.
- You can be a non-directed donor. You can donate your kidney to another individual if I am not a suitable blood and tissue match to you. I would then be the recipient of a kidney from a different non-directed donor who is a match for me. More information: <https://connect.mayoclinic.org/blog/transplant/newsfeed-post/kidney-paired-donation-and-the-mayo-clinic-experience-an-update/>
- You will have a separate team of healthcare professionals to evaluate you as a living donor. Their job is to help you understand the risks and benefits and look out for YOUR best interests.
- You can also learn more about living donation on the National Kidney Foundation (NKF) website: www.kidney.org/livingdonation or by contacting the NKF's free, confidential helpline at 855.NKF.CARES, (855.653.2273) or nkfcare@kidney.org. If you want to talk to someone who's already donated a kidney, NKF can also help.

Dear Potential Donor,

Thank you for your interest in becoming a living donor. Your health, safety and well-being are our top priority throughout the donation process.

The first step is to fill out an online Health History Questionnaire. Complete the form when you have adequate time and space to concentrate on each question. Before you begin, please obtain your current height and weight.

Using a laptop or desktop computer, visit mayoclinic.org/livingdonor to get started.

Once you have completed the questionnaire, your information will be reviewed by a Living Donor RN Care Coordinator and you will be contacted by email or phone. If you have questions at any time, please contact us at:

FLALivingKidneyDonors@mayo.edu
904-956-3249

Thank you in advance for your generous offer to be a donor!

It is difficult to ask others to consider kidney donation and I ask for your prayerful consideration and/or please share my letter with someone you think may be interested in donation. It truly will be "the gift of life" for me.

Feel free to contact me with questions at mprey@bellsouth.net or (912) 399-5320 or you can contact my transplant center directly at FLALivingKidneyDonors@mayo.edu or 904-956-3249. You can visit mayoclinic.org/livingdonor to fill out an online questionnaire if interested in donating.

Thank you for your time and consideration,
